

Site Waste Management Plan

Project	Kestrel Valley Link Road
Document	KVL-CGC-000-RP-G-0025
Revision	P01
Status	FI - For information
Date	10 March 2025
Originator	Castlegate Civils Ltd

Rev	Date	Description
P01	10/03/2025	First issue

1 Waste streams

Forecast waste from site clearance, surplus excavated material, packaging and concrete washout, with targets to reuse surplus soils on site.

2 Arrangements

Segregated skips at the compound. Waste transfer notes kept in the site office.
