

Construction Phase Health and Safety Plan

Project	Kestrel Valley Link Road
Document	KVL-CGC-000-RP-G-0001
Revision	P02
Status	FI - For information
Date	20 June 2025
Originator	Castlegate Civils Ltd

Rev	Date	Description
P01	28/02/2025	First issue
P02	20/06/2025	Updated for deep excavations and work near live services

1 Project and arrangements

Construction phase plan for the Kestrel Valley Link Road. This revision adds arrangements for deep excavations and work near live buried services.

2 Significant risks

Plant and vehicle movements, deep excavations with temporary support, work near live cables and ducts, work near the River Kest, and lifting operations.
